Text begins as a new indented paragraph. Use Level 1 headings for the main sections of your chapter.

APA Level 2 Heading: Left Align, Bold, Capitalize Major Words

Text begins as a new indented paragraph. Use Level 2 headings for sub-sections within the main sections of your chapter.

APA Level 3 Heading: Left Align, Bold Italic, Capitalize Major Words

You might only need to use 2 or 3 different levels of headings; you don't necessarily need to use all 5.
